

# Become a KID smART Creative School!

Creative Schools are places where learning comes alive through the arts, where students transform information into insight, and content into creativity

	What does your school get?	What is the impact?
<b>Full-Year Collaborative Residency with Artist Co-Teacher</b>	A professional teaching artist is a full year co-teacher across all academic subjects including ELL & special education classrooms	Students involved in the arts are <b>4x</b> more likely to be recognized for academic achievement and <b>2x</b> as likely to graduate college.  <i>"It's encouraged them to take more of an interest in the material that we're studying, because using art makes the material more personally connected to them, and lessons become more interactive that way." - Teacher, ISL Uptown</i>
<b>AXIS: Arts Integration Professional Learning Series</b>	Hands-on, arts-integrated, year-long professional learning community (up to 27 CEU hours)  PD topics exploring SEL, STEAM, literacy, and specialized learning communities; led by local and nationally-recognized presenters such as Ashe Cultural Arts Center and the Kennedy Center	<b>100%</b> of participating teachers last year would recommend AXIS to a colleague.  <i>"You consistently create the most amazing professional development opportunities! Throughout my four years of teaching, nothing has been as valuable as my time with KID smART." - Teacher, RENEW Schools</i>
<b>School &amp; Classroom Community + Family Engagement</b>	Artful Families workshops to engage whole families in art activities to encourage healthy mental and social development through the arts  Customized menu of virtual and in-person PD and coaching opportunities for classroom teachers  KID smART-developed curriculum connected to Social Emotional Literacy and New Orleans Arts & Culture	<b>97%</b> of collaborating teachers reported an improved classroom community and <b>89%</b> of teachers agreed that KID smART helped them have a stronger sense of being part of a professional community.  <i>"The best part was expressing our feelings and showing how we really are." - Jourdan, 10</i>  <i>When you have teachers that are learning new ways to meet the needs of all students, and students who are having fun while learning, you have higher achievement and higher understanding which ultimately leads to school success. - Teacher, Hynes Charter</i>
<b>Stipend &amp; Implementation Budget</b>	Generous teacher stipend for participation in monthly PD and funds for art supplies and arts-focused field trips for AXIS classrooms.	KID smART has funded cultural excursions to see local and international art, hear the orchestra, and witness live theatre and dance performances, all targeted to deepen student learning.  <i>"Our school is more cheerful and the halls are brighter as they are filled with wonderful masterpieces from our kid-artists." - Teacher, Arthur Ashe Charter</i>
